## **IMPORTANT NOTICE**

A permit shall be obtained for all installations or alterations of electric equipment.

A permit shall be obtained **BEFORE THE WORK IS STARTED**.

Permits will be issued to electrical contractors only when they are registered in conformity with the ordinances of the Town of Cicero.

Application for permit shall give the location by street and number. Locations on corners will not be accepted. The street number **SHALL BE CORRECT**. A person doing work at any other location than that specified in the permit is in violation of the ordinance, and the records of the department are thereby confused and the furnishing of current delayed.

Application shall be signed by the Registered Contractor and by the Supervising Electrician.

The inspection fee must be paid before a permit is issued. As this fee is based on the apparatus installed, A **CORRECT STATEMENT** of such apparatus shall appear on the application.

The permit issued on this application will authorize only work here applied for, If other work is done, it shall be covered by additional permits.

Contractor shall not make connection to existing wiring where same is defective. In all case, contractor installing apparatus in addition to existing load shall be held responsible for any overload of service, branch mains or circuits.

No current shall be used on apparatus installed under authority of a permit until the issuance of a temporary or final certificate.

When this installation is ready for current, a request for current shall be made on the form provided for this purpose. The request for current shall in all cases, be signed by some representative of the registered contractor.

A violation of the ordinances of the Town of Cicero governing the installation and alteration of electrical equipment is punishable by a fine of from \$50.00 to \$500.00.
