

The Town of Cicero has adopted this Citizen Participation Plan which sets forth the Town of Cicero's policies and procedures for citizen participation.

A. Policies and Procedures

The Town of Cicero encourages all Town citizens, especially those of low and moderate income, those living in areas where Community Development Block Grant and Emergency Solutions Grant funds are proposed to be used, and by residents of predominantly low and moderate income neighborhoods to participate in the development of the Consolidated Plan and any substantial amendments to the Consolidated Plan. The Town especially encourages minority citizens, non-English speaking citizens, and those citizens with disabilities to participate in the above. The Town, in conjunction with consultation with the Cicero Housing Authority, also encourages citizens who reside in subsidized housing to participate in the above.

The Town of Cicero will make this Citizen Participation Plan and any substantial amendments to this plan public and accessible prior to adoption by the Town Board. Citizens will be allowed to comment on this plan and any substantial amendments prior to adoption by the Town Board. The Town of Cicero will take into consideration any comments received.

This Citizen Participation Plan will be in a format accessible to persons with disabilities upon request.

B. Consultation

When preparing the Consolidated Plan, the Town of Cicero consulted with other public and private agencies that provide assisted housing, health services, and social services (including those focusing on services to children, elderly persons, persons with disabilities) during preparation of the Consolidated Plan.

When preparing the portion of its Consolidated Plan concerning lead-based paint hazards, the Town of Cicero because of its old housing stock assumes that these properties have lead-based paint in them. Local health data shows that children are more at risk of having high levels of lead in their systems as a result of lead based paint. The Town will focus on clearing any surfaces that have been disturbed as a result of any construction project performed using CDBG funds.

When preparing the description of priority non-housing community development needs, a unit of general local government must notify adjacent units of general local governments, to the extent practicable. The non-housing community development plan must be submitted to the State for clearance on projects, and to the County when necessary clearances are needed.

The Town of Cicero also has consulted with the Alliance to End Homelessness to develop a homeless needs assessment for the Emergency Solutions Grant that the Town will be receiving this program year.

The Town of Cicero has consulted with the Cicero Housing Authority concerning consideration of public housing needs and planned Comprehensive Grant program activities.
