Narratives

Areas of Greatest Need:

The Town of Cicero, as other communities have faced in recent times, is undergoing a housing market crisis. Homes are being foreclosed upon, or at risk of being foreclosed throughout the Town. These foreclosures have caused property values to decrease, made abandoned and/or empty homes commonplace, and has destabilized the community. Every census tract in Cicero is "high risk" for foreclosure, but seven (7) have been identified as Cicero's target area for NSP Funds: 2133, 8134, 8142, 8136, 8141, 8143, and 8137.

Distribution and and Uses of Funds:

In order to recover from this disaster, The Town of Cicero must get homeowners back into these abandoned, foreclosed homes. The Town will need to have a "qualified" pool of buyers for the current and future stock of foreclosed homes. The Town will need to have qualified contractors to rehabilitate and/or stabilize lead-paint hazards to properties assisted with NSP Funds, and the rehabilitation and/or lead-paint stabilization needs to be carried out in a time efficient manner. The Town will need to publicize their NSP to ensure attention is drawn to it, and to increase the amount of "qualified" homebuyers. The Town will need to work closely with banks, realtors, counseling agencies, and homebuyers to ensure the process of purchasing a home is followed through. The Town will need to measure performance on an on-going basis to determine if the program is meeting and/or exceeding performance goals. The Town will need to be proactive rather than reactive in addressing safety concerns of blighted structures. The Town will need to implement each proposed activity in an efficient manner to ensure the success of the program.

Overall Progress Narrative:

During this quarter the Town received some technical assistance from Joshua Northey in regards to some financial adjustments. Also this quarter, the Town submitted its PY 2017 CAPER, which included the proposed reallocation of the NSP Program Income into the CDBG Program. A Request Transfer Letter dated December 12, 2018 was sent to HUD for approval. In the Letter, the Town of Cicero is requesting to reallocate a portion of the NSP Program Income to CDBG for the 2018 Program Year. Once HUD approves the Transfer Request, the Town will reallocate that funding to CDBG and do an Amendment to the NSP Action Plan.

Also in this quarter, the Town received an appraisal dated October 15, 2018 for the last remaining NSP property located at 6019 W 28th St. This appraisal was required in order for the Town to get a fair market value for the land in order to sell the property. The Town is in the process of getting in contact with the neighbor of the property and offer the land for purchase at a fair market value. If the Town is able to sell the property to the neighbor, the income generated will be used along with the remaining balance of the entitlement grant to focus on Slum and Blight properties around the Town. If the neighbor does not want to purchase the land, then the Town will move to sell the land to another potential buyer at a fair market value.

Once the funding is expended the Town will finally closeout this grant.
