

# WATER MAIN REPLACEMENT

AS OF FEBRUARY 24, 2020, PROPERTY OWNERS WILL NOW BE REQUIRED TO REPLACE THE MAIN WATER LINE FROM THE STREET TO THE HOUSE IF:

- The property has been vacant 3 or more months
- The property has had the water shut off 3 or more months
- Adding a new bathroom anywhere in the house where it did not already exist (this includes the basement or attic)
- The property is being gutted out
- More than 51% of the property is being rehabbed

**\*\* WHEN APPLYING FOR THE BUILDING PERMIT YOU MUST INCLUDE A COPY OF THE WATER DEPARTMENT PERMIT FOR THE MAIN LINE REPLACEMENT\*\***
