## From the President's Desk

by Cicero Town President Larry Dominick

**Dear Cicero residents,**

I hope you've been enjoying the long summer days here in Cicero. It's been a wonderful time for the town, and I'm truly grateful for the unity and spirit that our community has shown, especially with everything we have had going on.

Summer in the Park has been a great time for families to get together and enjoy the long evenings at Community Park and the courtyard behind Town Hall. Kids have been able to enjoy the bounce houses and themes our staff has put together each week.

We've also had fun events for our senior residents, from trips throughout the area to this month's outdoor Bingo (weather permitting, of course) to birthday celebrations and other activities. This month's trips continue a long-standing tradition for our Senior Center, with visits to Rivers Casino in Des Plaines and German Fest in Milwaukee.

Finally, we had our annual Cicero Fest. This year's festival was pretty hot, but folks still made it out—particularly after sunset—to celebrate America's independence.

These are just a few of the diverse activities happening in our town. I encourage you to participate in as many as you can, as they are designed to cater to a wide range of interests and age groups.

+++++

Independence Day is a significant holiday. It's a reminder of the brave men who fought for our freedom in 1776, shaping the country we have today. Our nation, built by hard-working people from all over the world, is a testament to the pursuit of the American Dream.

I believe in this country, even with all the problems we've seen come and go. We continue to pursue a more perfect union, and I know we're doing that with the determination and community we have

in this town. I see this in our children, who can go to school and home safely because of our Parent Patrol. I see this with our families getting together for events and festivals, laughing, and having a great time without worry. I see this when our seniors tell me about all the great work our Senior Center and our Senior Services do for them.

As we celebrate the Fourth of July, I hope you can see how Cicero continues to pursue the dreams of our forefathers and celebrate the freedom we all enjoy because of the sacrifices our men and women in uniform have made time and again to ensure it stays.

Happy Independence Day!

Sincerely,

Larry Dominick  
Cicero Town President

## Cicero Fest Brings in Thousands Despite Heat

Cicero families enjoyed an early Fourth of July celebration with Cicero Fest this year. The four-day festival began on Thursday, June 20. The special events staff surpasses their previous efforts each year, creating a bigger and better festival.

The 94-degree weather made it challenging for Cicero families to enjoy all the festivities, and they often did not arrive until sunset.

“This year, the temperature was extremely high; it was kind of unbearable during the day,” said Special Events Director Patty Salerno.

Over 12,000 people visited Cicero Fest and enjoyed various live music, including house, rock, pop, and Spanish genres.

“This year, we continued our tradition of having English bands on one stage on the east side of the park and Hispanic music on the west side. This gives

the event a different vibe and caters to the whole community,” explained Director Salerno.

“Thanks to President Larry Dominick and the board, we always have a great fest with great food and great music,” added Salerno.

President Larry Dominick gave away thousands of wristbands to Cicero children, as he does at every festival.

“I’m loving it and I’m thanking President Larry Dominick for the free wristband. I’m having a great time. I’ve been on rides and it’s super fun,” said Auriyana Montenegro, a Ciceronian enjoying Cicero Fest 2024 thanks to President Dominick’s generosity.

“I’ve been here multiple times since Thursday. It’s been such a fun experience. Thank you, President Larry Dominick,” added Montenegro with a big smile.

Cicero residents brave the heat, and speed, on one of the rides at Cicero Fest. This year’s event was one of the hottest on record.

Live music, such as One of the Boyzz, drew in larger crowds after sunset, when the temperatures dropped enough for folks to arrive.

Town President Larry Dominick greets a Cicero resident at the festival.

One of the cooler days of the festival saw a larger crowd, but most residents still waited until sunset to enjoy the fairgrounds.

## Morton Foundation Awards Cicero Board for Support

The Morton 201 Foundation, which awards scholarships to students in Morton High School District 201, presented Town President Larry Dominick with an award on June 11 for his and the Town Board's support of their mission to help students pursue higher educational goals.

Since 2019, the Morton Foundation has awarded 57 scholarships totaling \$100,000. This year, the Foundation received 54 scholarship applications, the highest to date, and awarded 14 scholarships valued at \$2,000 each to the winning recipients. Morton High School Board Secretary and Foundation President Jessica Jaramillo-Flores said the scholarships were equally divided between Morton East and Morton West students, including one culinary student from each school.

The Morton 201 Foundation Board presented the 2024 Pay It Forward award to President Larry Dominick and the Town of Cicero Board of Trustees on Tuesday, June 11, 2024.

"Today, we want to recognize one of our oldest and longest supporters, the Town of Cicero," Jaramillo-Flores said in addressing the Town of Cicero Board. "Since 2018, the Town of Cicero has repeatedly purchased tables at our Dinner and Theater Nights and has been a corporate sponsor for all four of our Support Local Online Auctions. It has also helped promote the Foundation by posting information about our events in their buildings, on their website, and through their social media pages."

Jaramillo-Flores added, "The Town of Cicero truly believes in the Foundation's mission and efforts and has been a tremendous partner from the beginning. For these reasons, the Town of Cicero has been selected as the 2024 Pay It Forward award recipient."

On behalf of the board, President Dominick accepted the award and thanked Morton High School District 201 and the Morton 201 Foundation for all they do to help students pursue their life and career goals.

"Morton High School and the Foundation dedicate themselves to helping every student. They are very

effective. Their students are our future leaders, and we are honored to support them," said President Larry Dominick. "One of my personal goals has always been to help our students achieve their dreams and goals. Morton High School District 201 and the Morton 201 Foundation are instrumental in making that happen."

The Cicero Town Board: trustees Victor Garcia, Bob Porod and John Cava, Clerk Maria Punzo-Arias, Town President Larry Dominick, Foundation President Jessica Jaramillo-Flores, Trustee Blanca Vargas, Supervisor Joe VIRRUSO, Assessor Emilio "Emo" Cundari, and Collector Fran Reitz.

## Seniors Celebrate Father's Day

Cicero's senior fathers celebrated Father's Day a few days early this year as President Larry Dominick, the board of trustees, and the Cicero Senior Center organized a special event to honor them.

The celebration occurred on June 12 at the Cicero Community Center. Fathers were treated to haircuts and manicures while waiting for the festivities to begin.

"A special thank you goes out to President Larry Dominick and the board of trustees for supporting our trips, activities, and events, such as this one today," said Senior Center Director Diana Dominick. "Father's Day is a holiday dedicated to recognizing and appreciating the contributions of fathers, grandfathers, uncles, and any other significant male figures in our lives."

"Happy Father's Day to all the fathers and all the mothers who are fathers; there's a lot of them," President Dominick said. "I'm happy to see all the seniors. I'm glad everyone looks good."

After brunch, Dominick gave away hundreds of car club devices to those who needed them.

"We do everything we can here in town. President Dominick and our administration are always trying to do everything we can for the seniors," said Town Assessor Emo Cundari. "I want to wish all the fathers a happy Father's Day this weekend and a safe summer for everybody."

All the fathers also received a "Larry Dominick" hat and posed for a group picture.

"We want to thank everybody who made it possible to enjoy this Father's Day celebration," Town Trustee Victor Garcia said.

"I'm just very happy these programs continue here in our town of Cicero. This wouldn't be possible without President Larry Dominick and the board," said Town Clerk Maria Punzo-Arias.

"We want to thank President Larry Dominick for being so kind and giving. These gifts will be very meaningful to our community," said Town Trustee Blanca Vargas.

## Health Department Hosts Women's Health Fair

The annual women's health fair welcomed hundreds of women on May 29 at the Cicero Community Center. The wellness event offered a variety of services to the community.

"We are really grateful for everyone who showed up today. We are offering Tai Chi, sound therapy, B12 shots, and, of course, health screenings," said Director of Public Health Operations Vanessa Parrish. "We also have haircuts and nail trimmings, so it's a nice way for women to pamper themselves a bit."

Women signed up for raffles and received information from various community organizations.

"With the support of our town president, we are able to host these events," said Parrish. "For these types of events, we like to offer more interactive services so everyone can take away something significant and impactful."

Women received medical services inside the gym and participated in different classes.

Residents received information on health tips throughout the Community Center at the fair.

The health department provided blood screening and other tests to ensure women knew where they stood and how healthy they were.

"Our clinic is offering blood pressure screenings, height and weight measurements, other vital signs checks, and blood work, including lipid and diabetes screenings," said Medical Director Dr. Katherine Skurski. "I think this is a great opportunity to highlight the importance of community health and encourage women and residents to take care of themselves."

The Cicero Health Department invited various vendors to provide information to new moms, senior citizens, and everyone in between.

"The focus is on getting everyone the preventive care they need," added Dr. Skurski.

After the screenings, the Cicero Health Department contacts each patient to discuss their results.

The Cicero Health Department is open Monday through Thursday from 8 a.m. to 8 p.m. To make an appointment, please call 708-656-3600 ext. 147.

Along with the screenings, women were able to enjoy special pampering and receive information on how to live a healthier life.

Residents were able to sign up for new programs and services throughout the day.

## Cicero Library Receives State Technology Grant

On June 6, Secretary of State Alexi Giannoulias visited the Cicero Public Library to announce a significant development. Over 100 libraries, including Cicero's, are set to receive technology grants. The Cicero Public Library, in particular, will benefit from a substantial grant of \$27,500, which will significantly enhance its technological capabilities.

"It's a pleasure to join you all at this incredible library today," said Secretary of State Giannoulias. "We are here today to announce the allocation of \$2 million in new grant funding for technology for libraries in Illinois. We must do more to help our most vulnerable and least resourced libraries across Illinois."

Giannoulias emphasized the importance of libraries as pillars of their communities, providing essential services, facilitating access to information, inspiring ideas, and fostering a passion for lifelong learning.

This marks the first time the Secretary of State's office has provided grants to libraries.

Giannoulias explained his decision to provide these grants to the most deserving libraries in Illinois. "I had the honor of serving on the board of the Chicago Public Libraries under Mayor Emanuel, and as we traveled the city and state, we saw libraries that were inspirational and beautiful, looking like stadiums. Then, right down the street, you'd find libraries without air conditioning and with lights falling off. That contrast has always stuck with me. Now, as the state's librarian, I am committed to making a dent in these disparities and raising awareness."

"The Town of Cicero, its President Larry Dominick, the Board of Trustees, and I recognize that the many amazing services offered in Cicero, such as the library, are critical to maximizing the services we provide as local governments to all our citizens," said Clerk Maria Punzo-Arias. "As a resident of Cicero and Town Clerk, we are grateful to Secretary of State Alexi Giannoulias for the grant awarded to the Cicero Library to enhance technology services. We also

appreciate the support from Congressman Chuy Garcia, State Rep. Lisa Hernandez, President Larry Dominick, Sandra Tomschin, Director of the Cicero Library, and the Library Board members for their leadership."

This grant will usher in a new era of modernization for the Cicero Public Library. It will enable the implementation of advanced technology features, making the library more accessible and beneficial to our community's children, families, and seniors. The grant's impact on the library's services and facilities is significant and promising.

"I think this grant came at the right time because, with the renovations we've been having, like the makerspace and other offices and conference rooms," said Cicero Library Board President Ismael Vargas. "Technology will enhance these rooms that we have just created."

"The next step is spending it," said Cicero Public Library Director Sandra Thomschin excitedly. "We just finished the construction of our makerspace. Now we're going to purchase a 3D printer, a Glowforge machine, a Cricut machine, a sewing machine, and an embroidery machine, so we can start offering classes."
